tejasai38409@gmail.com | +91 8247714017 | github.com/sangisapusaiteja | linkedin.com/in/saitejasangisapu

## Professional Summary

**Full-stack Developer** with **1+ year** of hands-on experience **architecting scalable web applications** and **RESTful APIs**. Skilled in **React.js, TypeScript, Tailwind CSS, PostgreSQL**, and database management. Proven experience delivering end-to-end solutions in **Agile/Scrum** and **cross-functional** team environments. Passionate about applying modern development practices to create efficient, user-centric applications that drive business outcomes.

## Skills

**Frontend:** – React.js, Next.js, HTML5, CSS3, **TypeScript, JavaScript, Tailwind CSS**, Bootstrap

**Backend & Databases:** – PostgreSQL, Supabase, Nest.js, RESTful APIs, SQL, Node.js

**Programming Languages:** – JavaScript, TypeScript, Python, C, C++

## Professional Experience

### Software Developer

Jan 2025 – Present | Bengaluru, India

TECHVED Consulting India Pvt. Ltd.

- **Architected** and maintained scalable web applications using **React.js, TypeScript, Tailwind CSS, PostgreSQL**, and **Supabase**.
- **Built and optimized RESTful APIs** for seamless front-end to back-end integration.
- **Improved** application performance by optimizing **SQL queries** and reducing page load times.
- **Collaborated** with cross-functional teams in an **Agile/Scrum** environment to consistently deliver features on schedule.

### Full-stack developer

Jan 2024 – Dec 2024 | Bengaluru, India

Sumeru Software Solutions Pvt. Ltd

- **Enhanced** application functionalities and **executed** complex data flow management and user authentication for a multi-faceted application.
- Designed and supported **RESTful API** solutions, ensuring robust and reliable data exchange.

## Education

### Sagi Rama Krishnam Raju Engineering College

2020 – 2024 | Bhimavaram, India

Bachelor of Technology in Mechanical Engineering | CGPA: 8.74

### Sri Aditya Junior College

2018 – 2020 | Kakinada, India

Intermediate (MPC) | CGPA: 9.8

### A.P.S.P (EM) High school

2017 – 2018 | Kakinada, India

Board of Secondary Education | CGPA: 9.5

## Projects

### Art of Living Teachers & Program Organizers Application

React.js, Tailwind CSS, Supabase, PostgreSQL, RESTful APIs

- Developed an application to manage events and participants for Art of Living International.
- Built responsive UI components and integrated backend APIs for seamless data flow.

### AOL US Landing Pages

Tailwind CSS, JavaScript.

- Developed and implemented responsive and visually accurate **UI components** for multiple Art of Living (AOL) U.S. landing pages.
- Optimized **User Experience (UX)** and design to align with AOL's global brand standards for enhanced user engagement.

### Common Harmony

React.js, PostgreSQL, Nest.js, and Next.js.

- Designed a **multi-tenant application** to allow authorized tenants to announce and manage courses within specific regions (e.g., Europe).
- Implemented a feature to display announced courses **grouped by geographic entities** (e.g., groups of countries) for streamlined cross-regional visibility.

## Personal Projects

### Connect Together (Real-time Chat Application)

Next.js, PostgreSQL, Supabase

- **Built** a full-stack, real-time chat application enabling both one-on-one and group chat functionalities.
- **Applied** core features including room creation, room entry, and profile picture uploads, handling all front-end logic (Next.js) and database management (**PostgreSQL** via **Supabase**).
- **Live Link:** <https://connect-together-st.vercel.app/>

### Portfolio Website

React.js, Tailwind CSS

- Developed a personal portfolio website to showcase UI design skills.
- Built using React.js and styled with Tailwind CSS for a responsive and dynamic user experience.
- **Live Link:** <https://saitejasangisapu.vercel.app/>
