Saiteja Sangisapu

saitejasangisapu2003@gmail.com | 8247714017 | India | saitejasangisapu.dev | linkedin.com/in/sangisapusaiteja

◎ professional summary

Dedicated and adaptable developer with expertise in JavaScript, Python, and modern frameworks. Skilled in implementing software design patterns, collaborating with cross-functional teams, and delivering scalable, efficient solutions. Adept at unit testing, adhering to coding standards, and leveraging Agile methodologies to meet project goals.

🖻 Professional Experience

Full Stack Developer, *AOLD*   January 2024 – December 2024 | Benguluru, India

Project 1: Back-Office Website for Art of Living Teachers

- Developed a browser-based back-office application using **React** and **TypeScript**, streamlining workflows and improving engagement.
- Built and integrated **REST APIs** with **Supabase** and **PostgreSQL** for seamless backend connectivity.
- Optimized database queries and API calls, reducing load times by 20% and enhancing application performance.
- Debugged and resolved application issues, ensuring reliability and improving user experiences

Project 2: UI Development for Art of Living Website

- Designed and implemented dynamic, responsive UI pages using **React** and **Tailwind CSS**.
- Ensured cross-browser compatibility and optimized UI components for consistent user experiences.

🎓 Education

Sagi Rama Krishnam Raju Engineering College   2020 – 2024 | Bhimavaram, India
Bachelor of Technologies in Mechanical Engineering
CGPA 8.74

Sri Aditya Junior College, *Intermediate(MPC)*   2018 – 2020 | Kakinada, India
Board of Intermediate Education
CGPA 9.8

A.P.S.P (EM) High school, *Board of Secondary Education*   2017 – 2018 | Kakinada, India
Board of Secondary Education
CGPA 9.5

🗁 Projects

Connect Together ⧉
Technologies: Next.js, Supabase, REST APIs, Tailwind CSS

- Built a chat app with **group and private messaging** using room codes.
- Designed a responsive UI with **profile picture uploads**.
- Integrated **real-time messaging** via Supabase.

Portfolio Website ⧉
Built a dynamic portfolio showcasing UI design skills using **React.js** and styled with **Tailwind CSS**.

💬 Skills

Frameworks & Tools:
React, Node.js, Tailwind CSS, Bootstrap

Backend:
Supabase, PostgreSQL, RESTful APIs

Programming Skills:
JavaScript, Python, HTML, CSS, TailwindCSS

Development Practices:
Agile methodologies

🗂 Certificates

Python programmer — Entry-level Python developer with a strong interest in coding and problem-solving. Always eager to learn and grow

Javascript devloper — Entry-level JavaScript developer passionate about building dynamic, responsive web applications. Excited to continue learning and improving.

Web development and design — Completed a 1-month internship at Oasis Infobyte, September 2023.

🏛 Leadership & Extracurricular Activities

Senior Executive Body Member (SBM), *Association of Mechanical Engineering (AME)*   2020 – 2024 | Bhimavaram, India
Active member of AME, contributing to strategic initiatives, event planning, and promoting mechanical engineering activities within the college.

Organizer – VIDHYAN, *Sagi Rama Krishnam Raju Engineering College,*   2022 – 2024 | Bhimavaram, India
Played a pivotal role in organizing VIDHYAN, focusing on event execution and team collaboration.
